## MODERN COWBOY

Modern Cowboy: Quotes and Poems: Life and Love in Today's World

The quotes and poems in this collection were inspired by the principles and morals displayed by the heroic cowboys of the American West. Characteristics that are not as common in today's society.

## CREATIVE PROCESS

"Writing has always been a passion of mine. You could say writing was a segue into acting, and led to making motion pictures with Lone Gunslinger Pictures. I enjoy the entire process of creating characters, telling their stories, and bringing their journey to life on the screen.

I think it's the creative process that pushes artists into the different aspects of filmmaking. It's difficult to foresee which direction your creativity will lead. In my opinion, the artist follows their inspiration."

**"WORK HARD, BELIEVE IN YOURSELF, AND NEVER GIVE UP."**
